DOLBEAR'S Commercial College, 230 Main street, open day and night.

THE NEW CHURCH to be erected on Ford. The foundations for the steeple has already been laid, and are twenty-five by thirty-six feet. The altitudes of the ste-ple and spire is to be one bundred and fort, feet. The body of the building will be one hundred and thirty-five by sixty-five feet; and, when finished, will accommodate eight hundred worship-

Disguised Poisons .- The Medical setf. Gazette calls attention to the use in servant-gal circles of a corrosive polson, peroxalate of potash, which is purchased by these nymphs under the luscious name of "saits of lemon," for the purpose of removing stalus, and being procured is left carelessly about the house, where it may at any moment be mistaken for the usual kitchen condiments. lessness, a paper of the peroxalate was mistaken for epsom salts, which it much resembles in account their report, among other things, the appointment of a committee of three from each of the Grand Division of the peroxal and the grand Division of th

HORRIBLE DISCOVERY.

Man found Disemboweled and Their Religious and Secular Floating in Marchie River.

Frightful Mystery - Who Shall Clear it Epi As two colored men, named James Beckton and William Green, were duck

they discovered that it was the body of a human being. The head and feet werboth submerged and only the body was above water. On giving it a closer ex-amination they discovered, to their horror, that the body had been mutilated and disemboweled, and although it had been so long in the water that the skin was nearly all peeled off, they could see that the deceased was a negro. He was naked with the exception of two shirts-one white and a striped one. Of course in the advanced stage of decomposition it was impossible for the finders to deter mine whether the body was that of a

ing or old man. After securing the body so that it would not flust away, Beckton and Green came to town yesterday afternoon and informed Coroner Samelson who immediately sent 'Squire Brewer out to hold an inquest and to learn the facts in

This case, from its surroundings, is one that surely involves a horrid mysterythe mutilation, the ripping open of the body, and other circum we are not now at liberty to make pub lic, point to a namelees crime and an awini retribution. Meanwhile we await

rther developments. BASCOM COME AGAIN.

Lectures of Rev. R. A. Holland.

known to this community as posses extraordinary gifts, the Rev. Mr. Holland has added to a reputation for effect. The Doctor's style is ve gratory such as few in any church in the South can just now lay claim to. give a fuller report. We hope that those This is saying a great deal, but it is not of our citizens who "have and to spare" saying too much. We are mindful of the great number of elequent men who minister in the high places of the distinguished Christian body of which he is a member—a church whose praises are in every mouth for work don results achieved. We are mindful of t e great ability that directs and controls the Withams, charged with stealing a affairs of Methodism in the South. We Memphis can be found at Francisco & pocket-book and \$11.50 in currency from remember how much we owe to the Wiggin's, 307 Main street, under Peaevangelizing efforts of this church, of its body Hotel. levening influences upon society; and now much of that is due to the seif denycome off this afternoon at 2 o'clock p.m., at the Arcade. FOR THE LADIES. The Latest Fashions in Furs. Etc., Etc., Etc.

Yesterday was one of those raw, nip-ping days, which following on the heels of the balmy weather of Indian summer, so forcibly reminds us that Old Frost; has come, and makes us all bethink ou seives of furs or overcoats. Messre Francisco & Wiggin, hatters and furriers and leaders of the fashions in all tha miles from Shelby depot, the body of what they at first took to be some animal. On fishing it to shore, however, In opening his discourse, Dr. Gallau in store, at their spiendid establishment, let adverted to the unfortunate condition of those who, by the mysterious most complete, novel and beautiful workings of God's Providence, have been stocks of furs that we have ever deprived of the great gifts of speech and the dearing, and our duties toward them.

He then traced the history of the move of Memphis for the first time, and squirement to educate the deaf mutes in this country, commencing with the sending of his father, then a young man, to Europe, to qualify himself to educate the deaf and dumb daughter of a Hartford physician; his return, and the cartery was and the cartery and ward the American) Asylum, April 15, 1815, up to the present time. He next explained the alphabet and its use, and its difference between the sign-language which is now universally used in the column to the finest sable. To look at it one would think it quite solid, and the contrary is only made apparent by sliding ieges, schools and asylums for deaf the hand in. They are not only much

DEMOCRACY IN THE UNITED STATES What It Has Done, What It is Doing

and What It Will Do. BY HON, RANSOM H. GILLET,

ury Department, and Solicitor for the United States in the

tackson, Seymour and Blair, and Incleding Biographical sketches of the Democratic Nommees. Price, \$100.

This admirable work contains a complete and spirited history of the Democratic p riv, from its origin down to the present time. It is a vast repotory of political and hist-rical faces of profound interest to every clitical, and of value text-book is so complete, so full of religible information, or so intere ting as this. No Democrat can amord to be without it, as it supplies him with every fact bearing upon the issues now before the public. The author's experience dates far back into the early purion of the century; he was an associate of Silas Wight, he enjoyed the confidence and friendship of Jackson, van Buren, Polk, Taylor, Fillmore, Pierce and Buenanan, and, probably better than any man living, is acquainted with what the internal workings of parties have been for the last fifty years.

Mailed, post free, to any part of the United States on receipt of prices.

Ser Agents wanted to sail this book in every part of the Union. Clubs and Democratic organizations will be supplied at special rates.
